

done, thank you for your cooperation - Aya and Shera - your signatures are attached to the original document.

Indeed, I am not a Tel Avivian at all in general terms. In your honor, I would like to express my thanks to the family that took care of us during our stay here. Specifically, I would like to thank the family of the late Mr. Haim Shani, who was kind enough to let us stay in his house.

When I arrived, I was staying with my wife and two children. I wanted to make sure that they were safe and comfortable. I also wanted to make sure that they were well taken care of by the family.

I am very grateful to the family for their hospitality and care. They made us feel welcome and comfortable. We will always remember our stay with them.

Once again, thank you for your cooperation.

Yours,
